

OLVER ANNOUNCES \$175,000 FOR WINDSOR MILL INCUBATOR

November 08, 2001

WASHINGTON-Today, Congressman John W. Olver (1st-MA), announced that the final version

"The Windsor Mill Incubator provides much needed support to small businesses in North Adams.

The Incubator is owned and managed by the City of North Adams and provides technical assistance.

"Mayor Barrett has done a great job of promoting economic growth in North Adams, and the incubator is a key part of that effort.

Currently there are 14 tenants occupying Windsor Mill at about 75 percent of the building's capacity.

For more information about the Windsor Mill Business Incubator Project, contact Mayor Barrett at 978-255-2200.
